Series: DREAM PROJECTS OF YOUNG IAS OFFICERS
By Khushi Mehrotra

IAS Ayush Prasad's Dream to Make Jalgaon (Maharashtra) a \$25 Billion Economy

We want to push our economy forward and ensure that Jalgaon grows very, very fast. The goal is to tap into all sectors, engage all stakeholders, and unlock the massive potential. By coordinating these sectors, we aim to create tangible results.

Economy

Maharashtra contributes **13% to India's economy** and aims to be **20%** of India.

Jalgaon contributed 4% to Maharashtra's economy in 2000, has declined to **1.6% now**, but it aims to be **2.5% in 2029**
